Subject: Notice of the Third Apportionment for the State Advanced Placement  
Examination Fees Payment Program, Fiscal Year 2000-01

This apportionment, in the amount of \$14,036, has been made from funds provided by Item 6110-240-0001(c) of the 2000 Budget Act (Chapter 52, Statutes of 2000). This apportionment provides funding to support the payment of student test fees for the Advanced Placement program. The entitlement for each local educational agency (LEA) is based on the number of eligible, low-income high school students taking higher level and/or subsidiary examinations pursuant to Chapter 8.3 (commencing with Section 52240) of Part 28 of the *Education Code*.

The State Advanced Placement Examination Fees Payment program is included in the charter school block grant funding model pursuant to Chapter 6 (commencing with Section 47630) of Part 26.8 of the *Education Code*. Therefore, charter schools that are participating in the block grant funding model receive their funding for this program as part of the categorical component of the charter school block grant, which was allocated as part of the Principal Apportionment. Charter schools that are not participating in the charter school block grant funding model receive funding for this program through their chartering agency.

Warrants will be mailed to each county treasurer approximately four weeks from the date of this Notice. For standardized account code structure (SACS) coding, use Resource Code 0000, Advanced Placement Exam-Fees, and Revenue Object Code 8590, All Other State Revenue. For non-SACS coding, use Income Account Code 8590, All Other State Revenue. County superintendents of schools are requested to inform LEAs immediately regarding this apportionment.
